Dear Shareholder,

Shareholder you say? I guess so. After all once you buy a \$20 share, apart from a charity all the "Huge" funds are re-invested in your company to give you access to many - Freebees not available at other events So the more you support this company the more they support you people.

So I sincerely ask you to please keep this list of sponsors close to your phone so that if you or friends visit this area again, I beg of you to use one of our sponsors and tell them Bruce sent you.
