

ANNUAL REPORT.

2011

I am sure others would give a better annual report but then it wouldn't be my report.

I was pleased to see some familiar faces at the event this year. I realise that like me you feel it is a special event, one that deserves to survive no matter who is organising it. I would have been ecstatic if it was Reg, but, that is not to be.

I was going to apologise for my emotional outbreak at the presentations but am not now because it was an emotional time for me. I was attempting to tread where Reg and Elaine had walked and felt that perhaps the walk was too much for me to attempt, but now realise that I can follow my own path as I have a great group of people who are prepared to come on the journey with me. I will probably always tear up at the presentations as the memories of time spent with two beautiful people crowd my mind, but that is life.

I must again thank my small band of volunteers who worked hard to make the event run smoothly. Dot, Faye, Bruce, Roger, Judy, Evelyn, Margaret, Shannon, Benjamin and George. I thank you all for making me look like I knew what I was doing. I thank all the people who came and supported the event, especially the regulars who turned up to make sure it was a success.

I must make a BIG apology to Alasdair Tutt who won the Under 19 male section but was not announced at the presentation and so missed out on receiving the accolades of his peers. To Peter and Greg, who ended up with two good knees between them, thank you for your support. The King and Queen are still that, but will receive the Reg and Elaine Splatt trophies as a mark of respect for all the years Reg and Elaine spent organising the event. If anyone feels that someone else involved in the event needs to be recognised please let me know.

And now I am tired of rambling on and will end these musings and look forward to seeing you all again in 2012 for the family reunion.

Margaret and I send our best wishes to each and everyone of the
Four Peaks Family all the best for
A MERRY CHRISTMAS AND A HAPPY - HEALTHY - SAFE
