*Caring for
our community*

Caring for our community

PURPOSE

The Bright and District Community Charitable Foundation was created to establish a trust fund for the long-term benefit of the local community.

The fund has the following objectives:

- To contribute to the purchase of assets and equipment for any health service in Bright & District;
- Foster and improve health care;
- Provide funds for any charitable authority or institution.

HISTORY

The Foundation was initiated in 1994 when a group of people associated with health care services in the Bright area recognised the need to establish such an organisation. It was formally established on April 30, 1996.

The Foundation has a board of local residents as trustees. With a strong and active foundation the trustees strive to provide a reliable, consistent and relevant health care service to our community for the benefit of all residents and visitors to this magnificent region of the Alpine Shire.

The Foundation is able to provide urgent welfare support in times of need and can hold funds in trust for specific bequests.

The Foundation appreciates the support of service clubs in helping to raise funds and organise donations.

HOW TO HELP

A general donation or bequest:

If you would like to make a donation but do not wish to specify a particular use, the Foundation will decide when and for what purpose your donation will be used.

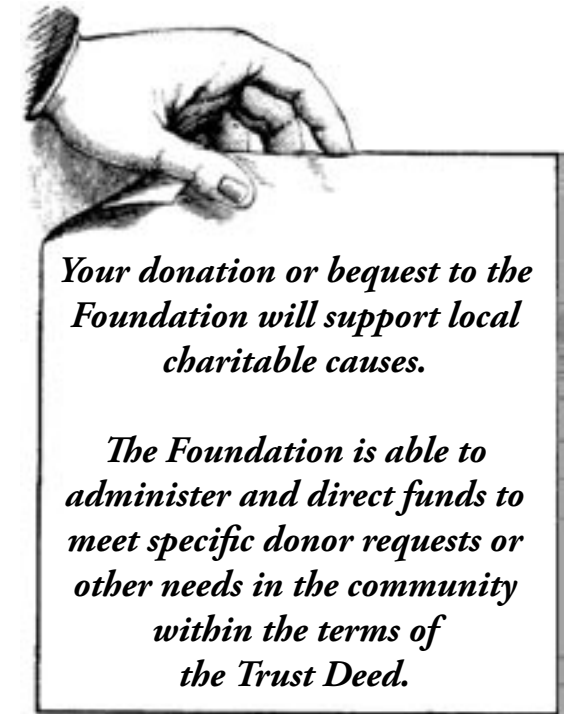

A donation or bequest for a particular purpose:

If you wish to specify a particular use for your donation the Foundation will ensure that it is used as you requested. For example, a particular piece of equipment for one of our hospitals.

WHAT WE DO

The Foundation aims to provide future income for any worthwhile project by investing grants, settlements, gifts or donations received in safe and secure projects. Such grants might be fixed term deposits, managed funds or blue chip shares.

We have received advice from professional, reliable investment advisers to ensure funds are safe, secure and protected, as required under the Trustees Act.

Your donation or bequest to the Foundation will support local charitable causes.

The Foundation is able to administer and direct funds to meet specific donor requests or other needs in the community within the terms of the Trust Deed.
